APPOINTMENT OF SUBCONTRACTOR FOR STEEL FIXING AND SETTING OUT SERVICES - CONSTRUCTION OF WESTERN TVET COLLEGE RANDFONTEIN CAMPUS CORPORATE OFFICE

The above matter refers.

We are pleased to inform you that you have been appointed as our subcontractor under this agreement effective 01 December 2025, and you will be responsible for the provision of steel fixing and setting out services for the Construction of Western TVET College Randfontein Campus Corporate Office, as assigned by MWELASE THOBS CONSTRUCTION AND PROJECTS during the contract period.

The terms and conditions of this appointment are as follows:

1. The Subcontractor shall provide professional services relating to:
 - Steel fixing in accordance with the project drawings and structural specifications;
 - Setting out of the works in accordance with the approved layout, levels, and engineering drawings;
 - Any related technical support required for successful project delivery, as per the specification.
2. Contract period shall be for 12 (twelve) months, commencing on 01 December 2025 and ending on 31 November 2026, or until practical completion of the steel fixing and setting out works, whichever occurs first.
3. The total contract value for this agreement shall be **R 550 000.00** (Five Hundred and Fifty Thousand Rands Only).
4. Payment shall be made according to work completed, as measured, verified, and approved by the Principal Contractor or designated Project Representative.
5. Any portion of the work shall only be certified or accepted as complete upon approval by the relevant project authority. Any rejected or unsatisfactory work shall be redone or rectified at the cost of the Subcontractor.
6. Payment will be made within 30 (thirty) days from the date of receipt of a valid invoice submitted by the Subcontractor.

20 Saint John Road, Edenvale, 1609. Tel: (010) 442 4221 Email: admin@mwelaseconstruction.co.za

7. The Principal Contractor reserves the right to terminate this agreement at any time in the event of non-compliance with contractual obligations, project requirements, or applicable standards.
8. If work performed on-site does not meet the required professional or technical standards, or is deemed unsatisfactory, the Principal Contractor reserves the right to terminate this appointment with immediate effect.
9. The Subcontractor shall at all times comply with all health, safety, environmental, and legal requirements relevant to the services rendered, including the wearing of appropriate Personal Protective Equipment (PPE) at all times on site.
10. The Subcontractor shall provide all tools, equipment, and labour necessary to carry out the steel fixing and setting out works, unless otherwise agreed in writing with the Principal Contractor.
11. All setting out works shall be carried out using calibrated survey equipment, and the Subcontractor shall be responsible for the accuracy of all setting out points, lines, and levels provided.
12. This appointment is subject to mutual cooperation and commitment toward the successful completion of all assigned work during the contract period.

Best Regards
